ST. PIUS V SCHOOL NEWS

Welcome Back!

# School Begins Again at St. Pius V School! Opening Family Event ... Thursday, September 2!

## Greetings To All Welcome Back!

Summer is coming to a close and a new school year will begin with the Opening Family Event on Thursday, September 2, 2010.

The administrative team and support staff have spent the summer getting everything ready for a new school year.

Many changes are in place to be sure that students receive Catholic education of the highest quality. This ensures that the school is true to its mission. Please note the exciting new staffing changes below.

We are excited about starting again. We welcome all our new students. We miss all of you and we can't wait to see you again after the long summer break!

*"Do your best...  
Be kind to others"*

Two mailings will help you prepare for the opening of a new school year!

Please read and review the materials in the mailings carefully. **PLEASE NOTE that many of the documents usually included in the sBack to School Mailing are now available online here at the school website.**

Each family has an assigned time for Thursday, Sept. 2. The times are staggered to eliminate lines and allow each family quality time with the teacher. Please be sure that you help your school by coming at the time assigned for your family.

Being fully prepared with your paperwork in the lower church will provide a great benefit to our teachers who can concentrate on making the opening days of school engaging and inviting for all students.

The school has been shined up to be bright and new for your arrival! A new lunch program will begin Monday, September 13. Brand new audio-video presentation equipment has been installed in the lower church hall.

All of us are eager to see you on

September 2! As we prepare to begin this new year, let us pray that 2010-2011 will be a year of new ways to make St. Pius V School "A PLUS" for education in Lynn. Let remember each day the important things in life... God, family, community and education at St. Pius V School!

*St. Pius V School begins a new hot lunch program beginning September 13! Complete, hot balanced and nutritious meals will be prepared and delivered from SIDEKIM Foods, then served by our lunch time staff.*

*A new online order and pre-pay system will help make ordering lunch easier each month. And best of all, the cost of these delicious new lunches will be lower than lunches in the past!*
